MEMORANDUM FOR: Director of Security  
Director of Joint Computer Support

Dear Charlie and Harry:

1. I write you concerning our mutual endeavors to develop a policy paper on computer security. The brief history is as follows: I urged that such a document be prepared. [ ] of Security produced the original draft. It will be found as Attachment A. Security passed it to OJCS which reworked it and sent it to DD/M&S. It is fixed as Attachment B. Not so overly in love with either, I asked [ ] to prepare a third piece of paper containing the best elements of both. It is found at Attachment C.

2. Would both you gentlemen, in consultation with your staffs, review and study this matter. It is one of considerable importance and I wish to make very sure that the problem described in any ultimate spillage is as precise as possible -- neither overstated nor understated. When all three of us are in agreement on the statement I then propose that we sit down with Harold Brownman and talk the matter up. We will set up a meeting during the week of 13 May for the three of us to come to an agreement on a draft and then, subsequently, meet with Harold.
